
PARTS BULLETIN

Original Issue Date: **1/06**

Model: **10-20REOD/REOZD (Industrial), 9-16.5EFORD/EFORZD and
10-20EORD/EORZD (Commercial/Recreational Mobile),
10-20EOZD and 9-17EFOZD (Marine)**

Market: **Industrial, Commercial/Recreational Mobile, and Marine Generator Sets**

Subject: **Kohler-Brand Oil Filter**

A Kohler-brand oil filter is now available for the generator models listed above. The GM47465 oil filter has 18% more media than the 252834 filter for greater contaminant-holding capacity.

Because of the small price premium associated with GM47465, we offer the option of stocking both filters or consolidating your inventory to a single part number (GM47465).

The GM47465 oil filter is compatible with, and can replace, the 252834 oil filter supplied for older generator models. Do not use the 252834 filter in place of GM47465.
