Subject: **Air Cleaner Assembly Change**

Kohler Co. has redesigned the air intake system on 80-100ROZJ industrial generator sets. A generator set serial number break was taken to mark the change. Use the serial number to determine the applicable air cleaner. Choose the corresponding replacement air cleaner and filter element from the following table.

**NOTE**

The air cleaner change and serial number break does not apply to optional heavy duty air cleaner kits.

Parts catalogs will reflect the air cleaner change as they are updated.

Description	Part Number
